## Press Invitation (Reminder)

### HKPOP will release tomorrow our “We Hongkongers Survey” on the Police arrest of RTHK producer Choy Yuk Ling and the “Post-Epidemic Gathering Resumption Index”

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) will hold a press conference **tomorrow (November 13) afternoon** to release our “We Hongkongers Survey” on the arrest of RTHK producer Choy Yuk Ling by the Police and the “Post-Epidemic Gathering Resumption Index”

HKPOP has re-launched its “We Hongkongers” Initiative in late May. Every week we invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page, then cast their votes online to select the question(s) for our “We Hongkongers Panel Survey”, and then release the results. This week’s survey is the twenty-fourth round and the question is: “There is a saying in society that the Hong Kong Police has arrested RTHK producer Choy Yuk Ling out of political motives. How much do you believe or disbelieve in such a saying?” Up to 10 am today, over 5,000 submissions have been received. Results will be announced **tomorrow (November 13) afternoon**. Please stay tuned.

On the other hand, HKPOP is also releasing the “Post-Epidemic Gathering Resumption Index” (PEGRI) on a daily basis, please visit our website at <https://www.pori.hk/penri> for previous figures. Here are today’s readings of PEGRI:
