Press Invitation (Reminder)

HKPOP will release tomorrow the Five Key Social Indicators and the “Post-Epidemic Gathering Resumption Index”

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) will hold a press conference **tomorrow (November 24) afternoon** to release our latest survey results on five key social indicators and the “Post-Epidemic Gathering Resumption Index”.

HKPOP has re-launched its “We Hongkongers” Initiative in late May. Every week we invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page, then cast their votes online to select the question(s) for our “We Hongkongers Panel Survey”, and then release the results. This week’s survey will be the twenty-sixth round. The survey question will be announced tomorrow and data collection will kick start right away. Because we will release the Policy Address Instant Poll findings this Thursday, the announcement of this “We Hongkongers” survey will be postponed to December 1 (next Tuesday) afternoon. Please stay tuned.

On the other hand, HKPOP is also releasing the “Post-Epidemic Gathering Resumption Index” (PEGRI) on a daily basis, please visit our website at <https://www.pori.hk/penri> for previous figures. Here are today’s readings of PEGRI:

Release Date	23/11/2020
