## Press Invitation

### HKPOP will release on Friday the “We Hongkongers Panel Survey” and some “Post-Epidemic Normality Resumption Indexes”

The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) has re-launched its “We Hongkongers” Initiative in late May. Every week we invite Hong Kong people to suggest current affairs survey questions to us via its Facebook page, then cast their votes online to select the question(s) for its “We Hongkongers Panel Survey”, and then release the results. This week’s survey is the tenth round and the question is: “Judging from the development of the pandemic, would you think the Legislative Council Election scheduled on September 6 should proceed as planned, or should be postponed?” Up to 4pm this afternoon, nearly 9,500 citizens have participated in the survey and the result will be announced this **Friday (July 31) afternoon**.

HKPOP will also release the reading of some “Post-Epidemic Normality Resumption Indexes” (PENRI) daily, please visit our website at <https://www.pori.hk/penri> for previous figures. Here are today’s reading of some PENRIs:
