The Hong Kong Public Opinion Program (HKPOP) under the Hong Kong Public Opinion Research Institute (HKPORI) will hold a press conference **today (September 22) afternoon** to release the latest findings of the ratings of Executive Councillors and the “Post-Epidemic Gathering Resumption Index”. Every week we invite Hong Kong people to suggest current affairs survey questions to us via our Facebook page, then cast their votes online to select the question(s) for our “We Hongkongers Panel Survey”, and then release the results. This week’s survey is the eighteenth round and the question is: “There is a view that the government should suspend the ‘Lantau Tomorrow Vision Project’ which would cost at least \$600 billion. How much do you support or oppose this view?” Up to 10 am this morning, over 10,000 submissions have been received. Results will be announced **this Friday (September 25)** afternoon.
