香港持牌酒吧會所聯會會長梁立仁認為，「酒吧業界一直配合政府的防疫抗疫措施，並呼籲業界人士遵從指引。可是，4月29日復業至今的情況，已印證了復業的條件過於嚴苛。要求員工接種第一劑疫苗和顧客必須使用『安心出行』都是可操作的。但要求顧客接種第一劑疫苗，卻不可行。聯會統計，這段時間的生意額祇能達到正常時期的10%，當局似乎高估了市民對光顧酒吧和選擇接種疫苗的意慾。懇請當局兌現承諾，真正為業界著想，放寬有關限制，在抗疫與我們業界人員生計之間取得平衡，拯救我們的行業。」

Ben Leung Lap-yan, Charter President of the Licensed Bar and Club Association of Hong Kong proposes, “The bar industry has been cooperating with the Government to implement anti-epidemic measures, and has called on all operators to comply with the government guidelines. However, what happened after the resumption of business on 29 April has proven that the conditions for resuming business are too strict. While requiring staff members to receive the first dose of vaccine and customers to use the ‘Leave Home Safe’ application are both workable, it is not feasible to require customers to have their first dose of vaccine. The Federation’s statistics show that business during this period is only 10% of normal times and it seems that the authorities have overestimated the willingness of the public to visit the bars and opt for vaccination at the same time. I urge the authorities to honour their pledge to help the industry, to strike a good balance between the need to fight the epidemic and the need of survival of the industry, by relaxing some of the restrictions.”
