香港教育中心商會副主席任偉豪指出：「今天認為防疫措施太緊的市民達到96%，是調查的歷史新高，但政府竟然公佈現行的限聚措施不變，延續兩個星期，相信這個決定是和全港市民的意願背道而馳的。本人認為政府需要盡快安排回復常態的措施，最少也要放寬和經濟最相關及影響不同行業的限聚措施。在教育方面，中小學校已進入考試季節，之後就是暑假，現在回復全日制已經意義不大。教育局應該鼓勵學校盡快安排學生於暑假期間回校上課，才可幫助學生追回落後的學習進度。」

Vice Chairman of The Hong Kong Chamber of Education Centres Yam Wai Ho observed, “Today, 96% of people think that the anti-epidemic measures are too tight, which reaches all-time record high of the survey. However, the Hong Kong government just announced that the current group gathering restrictions would remain unchanged for two more weeks. This decision is contrary to the wishes of all Hong Kong citizens. I think the government should quickly take measures to bring back normal life again. It should at least relax restrictions that are most relevant to the economy across different industries. In terms of education, elementary and middle schools have entered the exam period and will soon go into summer vacation. There is not much point to revert to full-time schooling now. The Education Bureau should encourage schools to arrange summer classes as soon as possible, to help students catch up with their learning progress.”
