民生大聯盟發言人章彤輝博士指出，「目前疫情相對穩定，但許多受影響行業仍是度日如年，旅遊業一年半來用盡方法掙扎求存，到今已經山窮水盡。一批講韓文的導遊領隊們，他們寧願到韓國超市去當收銀員，也不參加政府資助的『綠色生活本地遊鼓勵計劃』，營辦本地團。通關不成，這些從業員的遊業生計就沒有著落。」

Dr Tung-fai Cheung, Spokesman of Alliance of Revitalizing Economy and Livelihood, observed, “The current epidemic situation is relatively stable. However, some affected industries are still in deep trouble. For example, tourism industry is still facing severe hardship after they struggled for more than one and a half years. A group of tourist guides who speaks Korean would rather take up cashier jobs in Korean supermarkets rather than organizing local tours under the ‘Green Lifestyle Local Tour Incentive Scheme’ subsidized by government. If there is no tourist crossing the border, there will be no chance for these guides to survive.”
