香港教育中心商會副主席任偉豪指出：「美食博覽昨天開始，會場內人山人海。有了先前書展的經驗，相信香港人已經習慣了在人群之中做好防疫措施。這是一個好現象，證明了只要做好邊境防疫，其實人群聚集的危險性也不大。因此本人希望政府能進一步防寬限聚措施。」

**Vice Chairman of The Hong Kong Chamber of Education Centres Yam Wai Ho observed, “The food expo started yesterday, and the venue was crowded with people. With the experience of book fair, I think Hong Kong people have got used to taking epidemic preventive measures in the crowd. This is a good sign, it proves that as long as there is good border control, the danger of crowd gathering is not too high. Therefore, I hope the government can further relax the gathering ban.”**
