民生大聯盟發言人章彤輝博士指出，「隨著消費券產生效應，本地零售飲食業回復了一點生氣，然而旅遊業卻仍不樂觀，因為它幾乎被忘記了。兩天前，港府終於正式與內地洽談免隔離通關，算是一個好消息。作為大灣區的重要組成部份，香港與內地通關不僅是抗疫事務，更加是民生和地區發展的關鍵。」

Dr Tung-fai Cheung, Spokesman of Alliance of Revitalizing Economy and Livelihood, observed, “As the consumption voucher scheme takes effect, local retail and catering business has slightly recovered. However, the almost forgotten tourism industry is still depressed. The good news is that two days ago, Hong Kong government finally had a formal meeting with mainland authority regarding quarantine-free travel. Being an essential part of the Greater Bay Area, Hong Kong’s interflow and communication with the mainland is not just an anti-epidemic matter but also a critical issue related to people’s livelihood and regional economic development.”
