

## HONG KONG PUBLIC OPINION RESEARCH INSTITUTE (HKPORI)

Recruitment reference: 2024001

Applications are invited for the post of **Executive (Data Science)** on a 3-month contract in the first instance, renewable to another 12-month contract with a pay rise of up to 25% depending on performance appraisal.

Applicants should have a bachelor's degree majoring in Statistics or a higher degree in Statistics or related subjects awarded locally or overseas, or a professional member of the Chartered Statistician of the Royal Statistical Society, while possessing relevant work experiences in data analysis and/or computer programming is a plus.

HKPORI is a conscientious enterprise with a strong sense of social responsibility, it maintains a high level of Integrity and Quality in all its operations. For the position advertised, we expect the appointee to be mature, self-motivated, have a strong sense of responsibility, a good team player but can also work independently, and always act with personal integrity. Good command of Chinese (Cantonese and Putonghua) and English, sound knowledge of statistics and database management are musts. Good project planning, organizational and communication skills, computer programming (e.g. SPSS, R, Python) and Microsoft Office applications are definite advantages.

The appointee will be responsible for performing data analysis using different data science software or computer programs, producing research outputs, and managing databases.

The appointee is expected to work 5 days a week at office, mainly from 09:30-18:30, but may also need to work on other irregular working hours and on weekends if needed, with appropriate time-off compensation. HKPORI maintains smoke-free workplaces.

A highly competitive salary commensurate with qualifications and experience will be offered, in addition to annual leaves and other fringe benefits.

Applicants should send an application letter with an up-to-date CV with detailed personal particulars, qualifications, expected salary, and available date to Hong Kong Public Opinion Research Institute, Units 9-11, 6/F, Tower B, Southmark, 11 Yip Hing Street, Wong Chuk Hang, or by email to [vacancy@pori.hk](mailto:vacancy@pori.hk). **Closes on 12 April 2024**, but early applications will be considered as they come in.

HKPORI thanks applicants for their interest, but only candidates shortlisted for interviews will be notified of their application result. Applicants not receiving any notification from HKPORI by 30 April 2023 can assume their applications not successful.
